

MINECRAFT HOUR OF CODE

Students of all ages can learn to code in Minecraft: Education Edition for free!

Solve puzzles to escape from Dr. Breakowski's mysterious mansion in the new Minecraft Hour of Code: Escape Estate. Use computational thinking to unlock secrets, open trap doors, and reveal hidden clues. Code your way out by dawn and earn a million emeralds!

Choose to complete activities using block-based coding with MakeCode or text-based with Python for a challenge!

It doesn't matter if you're new to Minecraft or new to coding – the Minecraft Hour of Code makes coding accessible and fun.
