Assessment

Assessment

	4	3	2	1
Work of art and reflection	Student art work is original and impactful for the viewer based on its relevance and symbolism. Student reflection gives additional insight to the viewer.	Student art work is original and reflects the red poppy and its symbolism. Student reflection explains the art for the viewer.	Student art work is a remix of other art and reflects the red poppy and its symbolism. Student reflection shows art to the view.	Student art work is incomplete or unoriginal. Student reflection does not show the art to the viewer.

Interdisciplinary connections

- Visual or performing arts

Extensions

- Students could Skype with a veteran of war to interview the solider about his or her experiences and provide an opportunity to thank the veteran for his or her service.
