Date:

Directions: As a member of the Explorer's Guid, you have been tasked with finding 5 Biomes within Minecraft. Compare and Contrast them with Biomes that exist in the real world. Then use the Venn Diagram to do a deep dive comparing and contrasting your favorite biome.

| Biome Name, Coordinates and Description | Minecraft Plants | Minecraft Animals | Real World Plants | Real World Animals |
|---|------------------|-------------------|-------------------|--------------------|
| | | | | |
